1. Viyom Business Card Design

Project Overview: Viyom, a lifestyle brand focused on "Fine Designs," required a professional and modern business card design. The goal was to reflect the brand's commitment to sophisticated aesthetics and to provide essential business information in a clean and minimalistic layout.

Design Objectives: Showcase Viyom's tagline, "Celebrate Living with Fine Designs," emphasizing the elegance and luxury the brand offers through clean, uncluttered design to highlight the brand logo and essential details and ensure the business card reflects the brand's corporate identity while being visually appealing.

Design Elements:

Front Side:

The prominent "VIYOM" logo in bold orange typography communicates energy and modernity.

Tagline placement subtly complements the logo without overpowering the visual hierarchy.

Back Side:

Contact details for Employee, Designation, formatted neatly with icons for clarity. The orange accents highlight key information and maintain brand consistency. Minimalist use of white space ensures readability and elegance.

Specifications

Color Palette: Brand's Color palette - Orange (primary), black, and white for a balanced and professional look.

Typography: Modern sans-serif fonts to reflect sleekness and approachability.

Deliverables

Print-ready files in high resolution (CMYK format).

Digital mockups for client presentation and approval.

2. Arcedior Business Card Design

Project Overview: Arcedior, a global sourcing company specializing in furniture and decor, needed a business card design that embodies their brand ethos: “Global Sourcing Simplified.” The card had to be visually professional, informative, and cohesive with their existing branding to leave a lasting impression.

Design Objectives: Maintain Arcedior’s distinct orange and white color palette to reflect their vibrant and approachable identity and contact information in an organized layout, ensuring legibility and ease of use. Incorporate elements that highlight their global and digital presence, such as QR codes and social media icons.

Design Elements:

Front Side:

Prominent display of the Arcedior logo with the tagline “Global Sourcing Simplified” running along the bottom edge for added emphasis.

Clean placement of individual contact details for Employee (Designation), enhanced with icons for readability.

Back Side:

Vibrant orange background featuring company information, including address and website URLs.

QR codes directing users to the Arcedior website and online shop, reinforcing the brand's digital focus.

Social media icons and handles integrated along the side for a modern touch.

Color Palette: Brand's Color palette - Orange (primary), black, and white for a balanced and professional look.

Typography: Clean and modern sans-serif fonts for readability and sophistication.

Deliverables

Print-ready files in high resolution (CMYK format).

Digital mockups for client presentation and approval.

3. Sarthi Business Card Design (Cab Service)

Project Overview: Creating a cohesive branding strategy and designing a professional business card for a cab service. The design should reflect the vibrant and dynamic nature of the business, targeting local customers seeking reliable and convenient transportation solutions

Design Objectives: Create a design that communicates the cab service's reliability, professionalism, and approachability. Use vibrant colors, clean typography, and modern design elements to capture attention and make the card memorable. Align the design with the overall branding of the cab service, maintaining uniformity in colors, fonts, and style. Ensure the card is easy to read and navigate, with clear hierarchies for the information of services the brand provides.

Design Elements:

Front Side:

The prominent "The Sarthi" logo in brands color background.

Back Side:

Contact Information like, name, number, email and list of services the brand provides should clearly visible with the location of the brands office. Include a stylized logo and integrate imagery of a car to emphasize the core service offering.

Deliverables

Print-ready files in high resolution (CMYK format).

Digital mockups for client presentation and approval.

4. Pallav Udeshi Business Card Design

Project Overview: This business card was designed for Pallav Udeshi, a multi-talented vocalist, keyboardist, and band member. The card reflects Pallav's musical passion and creativity, serving as a unique identity for his professional engagements in the music industry.

Design Objectives: Create a design that conveys Pallav's musical talents while maintaining elegance with balance between professionalism and the artistic essence of a musician. Clearly display all necessary contact details with stylistic embellishments.

Design Elements:

Front Side:

A striking black background enriched with a playful mix of musical symbols, and instruments, symbolizing a world of music.

Pallav Udeshi's name is bold and prominent, followed by his professional roles (Vocalist/Keyboardist/Band).

Back Side:

Cleanly arranged contact details with icons representing phone, email, and social media platforms for modern accessibility.

Subtle background elements like musical notes and staff lines that add depth without overwhelming the composition.

Deliverables

Print-ready files in high resolution (CMYK format).

Digital mockups for client presentation and approval.
